SOUTH CAROLINA  
DOCKET NO. 94-203-E - ORDER NO. 94-341 *sc*  
APRIL 14, 1994

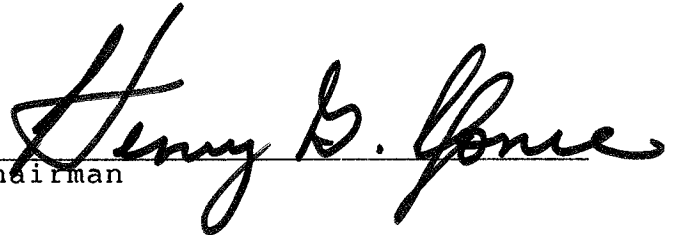

IN RE: Agreement Between Carolina Power & Light     ) ORDER  
Company and DuPont Concerning Facilities     ) APPROVING  
in Camden and Florence.     ) TARIFFS

This matter is before the Public Service Commission of South Carolina (the Commission) on Carolina Power & Light Company's (CP&L's) request for approval of its revised Large General Service Schedules for E.I. duPont deNemours and Company's (DuPont's) facilities at Camden and Florence, South Carolina. According to CP&L's transmittal letter accompanying the two tariffs, CP&L offered DuPont a lower rate for service at the Camden and Florence facilities so that DuPont would not pursue forms of self-generation. CP&L asserts the revised rate continues to allow it to recover its variable cost and makes a contribution to fixed costs.

Pursuant to S.C. Code Ann. §58-27-820 (1976) and 26 S.C. Regs. 103-303 (1976), and after review of the proposed revised Large

General Service Schedules for DuPont, the Commission hereby approves the tariffs as submitted by CP&L. The tariffs shall be effective for bills rendered on and after May 1, 1994.
